

IN ALL THE COURTS.

The Peculiar Case Against Peter Christianson.

BUSINESS BEFORE JUDGE ZANE.

Judge Anderson Has a Few Cases, and There is the Usual Crisis Before Judge Barthe.

Peter Christianson, formerly of Newton, Cache county, but now a resident of Ogden, was arrested by Deputy Marshal McLellan yesterday morning on the charge of fornication. The complaint charged that the offense was committed with a woman named Anderson, at Newton, in April, 1887. The examination was held before Commissioner Noyes, the defendant being represented by Mr. Rodgers, of Ogden, while Mr. Varian conducted the prosecution.

The complaining witness, Miss Peterson, testified that the defendant lived with her at Newton in a state of fornication from April, 1887 until October, 1888, and that she had a child by him. It was also shown that the defendant had given the woman a picture of himself and had given her money, but the corroborative evidence has very slight.

The defense introduced no evidence and Christianson was held to await the action of the grand jury, his bonds being fixed at \$500. He found sureties without difficulty and was released.

IN THE POLICE COURT.

Mr. Calder Fined \$10—Other Business Before Justice Lacey Yesterday.

The case of ex-Policeman William Calder, charged with assault, came up for trial before Judge Lacey yesterday morning. The defendant was represented by S. A. Kenner, while Judge McDowell assisted Mr. Eichner in the prosecution. The evidence showed that on Tuesday night last the defendant went to Gallacher's restaurant and took supper and on going out onto the street, saw a man driving away in his buggy. Not knowing but that the party was stealing his property, Mr. Calder drew his pistol and ordered the man to stop. The order was obeyed and the vehicle returned to the place it was taken from. The occupant, William Milligan, then got out of the vehicle and Mr. Calder pushed him across the ditch. Afterwards it was explained that Mr. Milligan had been requested by a friend to take his buggy, which was also standing in front of the restaurant, and he made a mistake and took the wrong vehicle. The court thought that the defendant was justified in all that he did except to push Milligan, and imposed a fine of \$10.

Robert Hays, the colored cook who assaulted a boy named Anderson on Thursday night, entered a plea of guilty and was fined \$25.

A. E. McDonald, Charles Carpenter, Thomas Murphy and B. Downing, a quartette of drunks, were fined \$5.

Marshall Young's men made another raid on the trail females yesterday morning and gathered in Valley, Retter and Amy Mahony Johnson, on the charge of keeping houses of ill fame, and Della Peyton, Claudius Dupont and Lucinda Bates, on the charge of being inmates. They all left security for their appearance to-day.

The case against M. H. Lipman, charged with battery, was continued until Tuesday.

Charles O'Connor and Frank Adams were tried for petit larceny, and the court took the case under advisement until to-day.

Business Before Judge Zane.

The trial of the case of T. R. Jones against William G. Gallagher, in which the plaintiff sued to recover about nine thousand dollars alleged to be owing him on a transaction in mining stocks, was concluded before Judge Zane yesterday and taken under advisement.

The case of Henrietta Yeaton vs. Henry Graves was submitted and taken under advisement. The plaintiff in this action sued to obtain possession of the premises 17th of The Herald known as the Foam saloon.

In the case of William McKay vs. L. Simon, the defendant was granted a stay of thirty days. This is the case in which Mr. McKay obtained a verdict for \$435, that amount having been stolen from his room while he was a guest at defendant's hotel in Park City.

George G. Fair, a petit juror, was excused.

Judge Anderson's Court.

The following business was transacted before Judge Anderson in chambers yesterday:

Jacob Griffiths vs. Lydia Terry et al.; judgment for plaintiff quieting title as prayed.

J. P. Grant vs. Norah Cast, et al.; same.

The case of Edward B. Ayers et al. vs. Mary Ann Jack, moving the title to a piece of real estate in this city, was then taken up, and the trial was in progress when the court adjourned.

THE PROVO COURT.

The Application for a Writ of Habeas Corpus in the Jorgensen Case Dismissed.

Provo, April 4.—Yesterday was a quiet day in the district court, the only business being that William Sampson was sentenced to three months and costs for unlawful cohabitation.

To-day the court opened at 2 p.m. and at once took up a rather interesting habeas corpus case. The facts leading to the issuing of the writ are as follows: One Alma Jorgensen was arrested a few days ago on a writ issued by Justice Brown, on a charge of kidnapping and injuring animals. Defendant was tried and convicted of the offense and sentenced to pay a fine of \$75 and the costs of prosecution. Mr. Kellogg, attorney for the defendant, thereupon sued out the writ.

Mr. Brown was elected a justice of the peace of Provo precinct in August, 1888. The petitioner claims that the city incorporation act of May 8, 1888, conferred all the jurisdiction of justices of the peace on the city justices, thereby abolishing the office of precinct justice within the limits

of incorporated cities. Mr. Thurman resisted the application of the writ. After an argument of an hour the writ was denied.

The court then adjourned till Tuesday next, the 5th inst., at 10 o'clock a.m.

THE ABILITY TO BEAR PAIN

Is the test of fortitude among the Indian tribes. But we defy any Cherokee, Sioux or Comanche to endure the twinges of rheumatism without wincing. These, indeed, are slight at first, but grow in intensity until they become unbearable. No man is more obstinate in his maturity than that which gives rise to them. The more need, then, of attacking it at the outset. Foremost among remedies for it is Hostetter's Stomach Bitters, safer and infinitely more effective than colicium, veratrum and nux vomica, all remedies which might prove destructive of life in a slightly excessive dose. Mineral depurants, also, when not positively mischievous, are far inferior in remedial power to this salutary botanical medicine. It entirely expels from the blood the acid impurities which originate the disease, and enriches as well as cleanses it. Constipation, liver complaint, dyspepsia and other ailments also give way to it.

A Sure Cure for Piles.

Itching Piles are known by moisture like perspiration, causing intense itching when warm. This form, as well as blind, bleeding and protruding, yield at once to Dr. Bosanque's Pile Remedy, which acts directly on the parts affected, absorbs tumors, allays itching and effects a permanent cure. 50c. Druggists or mail; treatise free. Dr. Bosanque, Piqua, O. Sold by Z. C. M. I. drug store.

HOUSEHOLD WORDS ALL OVER EUROPE.

Van Houten's Cocoa

"BEST & GOES FARTHEST."

Now that its manufacturers are drawing the attention of the American public to this first and, ever since its invention, the best of all cocoas, it will soon be appreciated here as well as elsewhere all over the world. All that the manufacturers request is simply *one trial*, or, still better, a comparative test with whatever other cocoa it may be; then VAN HOUTEN'S COCOA itself will convince every one of its great superiority. It is because of this superiority that the English paper *Health*, says: "Once tried, always used."

To avoid the evil effects of Tea and Coffee, use constantly VAN HOUTEN'S COCOA, which is a STRENGTHENER of the NERVES and a refreshing and nourishing beverage. [32]
